

Dawson's Citizens Improvement Association

Sept 3, 2021

Attending:: Lee McDonald, John Berwick, Marcus White By phone Wendy Van every

Regrets: Anne Steele-Giffin, Rick Bradley, Bob Grover

Guests: Scott and Sandra Hartley

Meeting called to order at 7:10

Campground/Marina

A discussion was held concerning the operation of the marina and campground for the remainder of the season.

Scott and Sandra put forward a proposal that they would like to take the opportunity to act as unpaid interns, with the provision that the DCIA utilize the monies that would have been used for wages for upgrades to the campground including new toilets and basins

Wendy inquired about computer experience and Sandra explained she is familiar with most Microsoft programs. Scott outlined some of his military experience

John explained the procedure for placing the marina phone on Call Forwarding and will leave it forwarding to his phone. Scott and Sandra will use the feature as well. John will also check the small laptop for campground bookings

Sandra inquired about training. John offered to begin training the following morning. Wendy said she was available as well and she will assume responsibility for picking up and depositing monies collected.

John moved to hire Scott and Sandra and Wendy seconded the motion. Carried

Wendy suggested there should be a waiver of liability for interns. John agreed to look into that.

Marcus commented on the campsite realignment by the previous board and mentioned that turning site 16 into four sites was crowded and left no room for parking

A discussion was held concerning safety issues with the communal Fire Pit. It was agreed it should be removed.

Motion to adjourn was made at 7:45 by Marcus. Seconded by Lee
